Where do I board the Green line?

## Green Line - PR2

There will be some changes to the PR2 route when Chester's new Bus Interchange opens on 30th May 2017.

This service observes a number of stops within the City Centre - please remember that due to the one way systems your boarding point to go home will not be the same as the stop where you arrive.

Please find a list of the City Centre boarding points below, and a handy map overleaf.

### Stops if you are going back to BOUGHTON HEATH car park:

- Canal Street, prior to the junction with Northgate Street
- Chester Bus Interchange Stand D
- Foregate Street Stop, AA near Boots the Chemist

### Stops if you are going back to SEALAND ROAD car park:

- Chester Bus Interchange Stand E
- George Street, to the side of Weatherspoons Bull & Stirrup pub

### Last buses leave the City Centre just after:

- 6pm - Sundays and Public Holidays (please check timetables for exact details)

Thank you for visiting Chester!
