Sixth Formers may wear discreet make-up and jewellery. You should not have any visible facial or body piercings except in the ears; earrings should be unobtrusive.

Dress Down Wednesdays

To coincide with Quest afternoons, the dress code is slightly relaxed on Dress Down Wednesdays. Smart casual is appropriate in these days but it will not be required for student to wear a jacket or tailoring on these days. However, jeans, hoodies or trainers will not be appropriate wear on dress down Wednesdays.

Dress down Wednesday has been introduced with two important provisos.

Students will be asked to 'dress up' to the smart dress code on a Wednesday if we have an important event or visitor in school. We consistently see the smart dress code being adhered to by students on the other days of the week.

Formal and public occasions include: Open Morning; Prizegiving; Cathedral Services; representing the school at public events; photographs; showing visitors round; hosting events or helping at parents' evenings and the entrance examination.

Sixth Form pupils are role models for younger pupils and ambassadors for the school. It is expected that all pupils will follow the uniform guidance. Should you fail to follow the guidance,

Stage 1 - You will be advised the outfit is inappropriate and asked not to wear it again. This will be recorded on the school management system.

Stage 2 – Should you come into school in an inappropriate outfit on a second occasion, this will also be recorded again and parents will be contacted by the Sixth Form Leadership Team.

Stage 3 – Should you still fail to wear appropriate business wear, parents will be called and you will be asked to return home to change into appropriate school clothing before you are allowed to return to school.
