School Uniform

Q&A from Schoolblazer

How do I know what sizes to order?

We ask you to input your child's measurements and our Intelligent Sizing System will indicate the recommended size on the shopping page.

However, this is a suggestion only, based on the measurements you have entered. Should you wish to choose an alternative size, you can use the drop-down menu to select this.

What if I need to return an item?

We offer a free returns service so please return any item unsuitable using our online returns tool, and we will either refund or exchange as required.

Do I have to pay for name tapes?

We only charge for the cost of the name tapes and sew them in free of charge.

How long will my order take to be despatched?

We promise to despatch orders within 3 working days, and more swiftly than this wherever possible. FastTrack delivery also available.
