

## PRIVACY NOTICE FOR SENIOR SCHOOL PUPILS

---

### Introduction

This notice is to help you understand **how** and **why** we collect your personal information and **what** we do with that information. It also explains the decisions that you can make about your own information.

If you have any questions about this notice please talk to your form tutor.

### What is "personal information"?

Personal information is information that the School holds about you and which identifies you.

This includes information such as your name, date of birth and address as well as things like exam results, medical details, and behaviour records. CCTV, photos and video recordings of you are also personal information.

### Our legal reasons for using your information

This section contains information about the legal reasons we rely on when handling your information.

The two tables below contain a general description of the different legal reasons but we have also used a colour code system so that you can see which reasons we are relying on for each of the purposes described at paragraphs 1 to 37 below.

#### Legitimate interests ("L")

This means that the School is using your information when this is necessary for the School's legitimate interests or someone else's legitimate interests. We won't rely on this when your interests and fundamental rights override our legitimate interests. Specifically, the School has a legitimate interest in:

- Providing you with an education and making sure that you are behaving properly.
- Complying with our agreement with your parents for you to be at the School.
- Looking after you, your classmates and our staff (e.g. your teachers).
- Keeping the school buildings safe.
- Making sure that the School is well managed and that we protect the School's reputation.
- Ensuring that all relevant legal obligations of the School are complied with (for example in relation to inspections).
- Using your information in connection with legal disputes.
- Improving the School e.g. if we want to raise money to build a new building.

## PRIVACY NOTICE FOR SENIOR SCHOOL PUPILS

---

In addition, your personal information may be processed for the legitimate interests of others. For example, we may use information about you when investigating a complaint made by one of your fellow pupils.

### Legal obligation ("LO")

The School might need to use your information in order to comply with a legal obligation, for example, to report a concern about your wellbeing to Children's Services. We will also have to disclose your information to third parties such as the courts, the local authority or the police where legally required to do so.

### Vital interests ("VI")

In limited circumstances we may use your information to protect your vital interests or the vital interests of someone else (e.g. if you or they are seriously hurt).

### Performance of a task carried out in the public interest (or carrying out public tasks) ("PI")

This applies where what we are doing is for the benefit of people generally. The following are examples of where this applies:

- providing you and others with an education;
- safeguarding and promoting your welfare and the welfare of your classmates;
- facilitating the efficient operation of the School; and
- ensuring that we comply with all of our legal obligations.

The School must also comply with an additional condition where it processes special categories of personal information. These special categories include: personal information revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, genetic information, biometric information, health information, and information about sex life or orientation.

### Substantial public interest ("SPI")

The School is allowed to use special categories of personal information where doing so is necessary in the substantial public interest. This is similar to "public interest" in the table above. For example, the School will use information about your health to look after you. We may also use other types of special category personal data about you to provide you with an education, to look after you and your classmates or when the School is inspected.

### Employment and social protection and social security law ("ESP")

There will be times when the School needs to use your information because we are an employer (e.g. we employ your teachers). Also the School will use your information to comply with social

protection law (e.g. to look after you) and social security laws. Social protection law is concerned with preventing, managing, and overcoming situations that adversely affect people's wellbeing.

### Vital interests

In limited circumstances we may use your information to protect your vital interests or the vital interests of someone else (e.g. if you or they are seriously hurt).

### Legal claims ("LC")

We are allowed to use your information if this is necessary in relation to legal claims. For example, this allows us to share information with our legal advisors and insurers. This applies whenever sharing special category data is necessary in relation to legal claims.

### Medical purposes ("MP")

This includes medical treatment and the management of healthcare services.
